

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

KAMLESH BANGA,

Plaintiff,

v.

CAL STATE 9 CREDIT UNION, et al.,

Defendants.

No. C-08-3015 MMC

**ORDER DENYING WITHOUT
PREJUDICE DEFENDANT'S MOTION
FOR ENTRY OF STIPULATED
PROTECTIVE ORDER**

Before the Court is defendant Equifax Information Services LLC's ("Equifax") Motion for Entry of Stipulated Protective Order, filed April 15, 2009.

The Proposed Stipulated Protective Order attached to the motion appears to be incomplete, however. In particular, the proposed order includes sections that are bracketed and marked "optional." (See Proposed Order at 8:27-9:8; id. at 9:14-10:18.) It is not clear whether the parties wish to include these sections in their proposed order.

Accordingly, Equifax's motion is hereby DENIED, without prejudice to the parties' filing a renewed motion for entry of stipulated protective order, accompanied by a revised version of the protective order sought to be entered.

IT IS SO ORDERED.

Dated: April 17, 2009

MAXINE M. CHESNEY
United States District Judge
